# The new generation of attractive carrot

with a high resistance package

# ALLYANCE F1

The new generation of attractive carrot with a high resistance package

- High levels of resistances
- Very smooth, uniform and attractive carrots
- Good blunting
- Cylindrical carrot shape
- Medium early
- Good field holding ability
- No green shoulders
- Good taste
- Flexible for various sowing and harvesting periods due to the high resistance levels

## Advice for cultivation practice

Information provided by Nunhems Netherlands BV in any form whatsoever is without guarantee. Descriptions, recommendations, and illustrations in brochures and leaflets and on the website are based as closely as possible on experiences in tests and in practice. However, Nunhems Netherlands BV does not accept any liability whatsoever on the basis of such information for different results in the cultivated product. The buyer must personally determine whether the goods and information are suitable for the intended growth and/or can be used in local conditions.

## Product illustrations

All varieties shown were grown under favorable conditions. Identical results are not guaranteed nor implied for all growing conditions.
